plantly written, and only upon one sale of the WAC incommon they will be nother word norvel Rejected manuscript wall not be returned une per Paper, who for the Collection of Accounts.

Largest legitimate morning circu-

lation in the District. WASHINGTON, JANUARY 17, 1979.

Now the harples of the Democratic press "war" in the Republican ranks once more. these results of Radical rule.

THEY call WADE HAMPTON "Our Second "WASHINGTON" down in South Carolina. Our First Washington was a "robel," you know, and as such tought for his "country.

cate which was counted for TILDEN? It is about time to stir Hamburg BUTLEH

min's seat with all the complacency of a equatter whose tenure is rapidly becoming legalized by virtue of long and undisturbed THE Petersburg (Vn.) Index-Appeal says not be long delayed.

ator CONKLING.

How many brothers-in-law has Chairman POTTER? Can be rely on one falling sick every time an awkward dilemma confronts of the Arkansas " forgery ?"

The idea is simply preposterous.

THE execution of the Mollie Magnires in Pennsylvania not only detracts from the strength of the Democratic vote in that State, but it robs the Democracy of the country at large of an argument that Ku-

the Republican party will soon rejoice over a weightly accession to its ranks. Senator DAVID DAVIS, according to common report, has wearied of training alone in the DAVID DAVIS party and carrying its ponderous report.

DAVID DAVIS party and carrying its ponderous report.

DAVIS party and carrying its ponderous report

SECTION 139, United States Revised " up the certificates so made by them, and " certify upon each that the lists of all the " votes of such States given for President gation to sign on the outside of the certifigate is as binding as the obligation to sign on the inside. Who signed those seven must be ventilated.

Those who the South not a single execution of a Bull-process been substituted for intolerance and had put their lives and fortunes at stake for process been substituted for intolerance and

believed that he will quietly, solidly, and emphatically sit down in the Republican camp. When he does, he will sit there forever and a day.

When he does, he will sit there forever and a day.

Speaking of the developments by the Portrac Committee, it is well not to forget that thus far they have been decidedly and terms to the Democracy. Jist Andrews's growing that thus far they have been decidedly and verse to the Democracy. Jist Andrews's growing the structure of the structu

ted to remain unilisturbed,

PRO-SLAVERY HONOR.

Before the war it was honorable in the Southern slaveholders to use all their influence and ability to extend the slave power. While they claimed to be the most nest of Republican corruption." It seems, stantly resorting to base and immoral meas-WILE.

We know very well that there were many people in the South who repudiated such nor principalities, nor powers have in any doctrines, while there were also some in the that was only in the interest of degraded

their allies at the North they would have had no opportunity, even though they had the meanness of mind, to seek such return The man who has not seen a radical of power. Their peculiar form of honor,

presided over, ruled over, in fact, by a for- much entitled to all the privileges of maneign-born priest, and when nearly all the hood as any other class of men. This was higher magnates of the Church were also no new idea after the war; it was the idea an-American by birth and the ties of selfinterest. But all this has changed, and the tation of this idea that finally caused the institution of Catholicism, if such it may glave power to attempt to destroy what they be called, has become truly American they could no longer control. In this apport of the Government rethes rded this The class observer will find that the pa- as the best compensation for the ill-treat-

the Democratic ranks, and it is therefore duties and responsibilities of a true man-they accepted this measure and were even believed that he will quietly, solidly, and |hood. Previous to it their custom had been |glad to have it incorporated in the Constiemphatically sit down in the Republican to revere the Church as the only power tution, not on the basis of any justice or

aroused, there is no reason why any one versal redemption can alone be fanned into those who practice such deeds for selfish should borrow trouble. It would be the the saving flames of omnipotent purities, and base personal gain under the high and noble name of honor.

STARTLING, IF THEE,

From the high standing of the New York Mutual Life and the known integrity of its officers, we are justified in denying the insinuation that the company intends making any money by the "gobbling process." The idea originates with some of the companies who are too weak to compete with the reduced rates of this great corporation.

#### AMUNEMENTS.

Ford's Opera-House-Tony Denier's Troupe. It is but just to say that this is the legitima: Tony Denier Pauromime Troupe, and has no coclien with any other organization extant. In senting the trick pantomime of "Humpty Dumpty" it requires the employment of twenty seven persons, all of whom are artists in their re spective roles. The reputation of the company for

National Theatre-Modjeska as "Adrienne. Modlesha's appearance as Advisors has evening added to the triumphs that embellish her career Following her impersonations of countle, Fron-Fron and Linky Irolei, and viewed even in the bright reflections of their splender, it claims and receive high commendation. Modjeska's great personal beauty, the wonderful elegance of her costumes the refinement of her meaner and presence, and the brilliancy of her taken unite in making all of her impercutations the perfection of dramatic pic-tures. Mealeska will appear this evening in "Romeo and Juliot." Her scholmble impersona-tion of stricture will be repeated at the mattnee to morrow (Saturday) afternoon.

These wonderful infinitessimal specimens of hu stay in Washington, is necessarily insited and our citizens have therefore but few remaining opportunities of sceing them. Their reception will commune this atternou at two o'clock, and this evening at seven o'clock.

don't.

We have no love to spare for General Grant, but he has been houseful by all mations, Camulae and Protestant, as the ex-President and representative of this Republic, and it ill bessenss the corporation of an Irish city to fling the trial insult in his face. The Pope received testeral Grant, and the city of Indian gave him, for America's sales, a grand ovation. The recipie of Cark should have forgotter the man in the country he represented,—Rusios 2805.
